

*The Celestial Archive:*  
*Unlocking the Akashic Wisdom*  
*The Pathway to Your True Self*

Are you ready to uncover the hidden wisdom of your soul and discover why you are here on Mother Earth at this time?

Join us for a transformative Akashic Record Workshop on Saturday and Sunday, June 27<sup>th</sup> and 28<sup>th</sup>, 2026, from 10:00 AM to 5:00 PM in Houston, Texas. Facilitated by Chris Carpentier, Shaman and Master Energy Healer, this immersive two-day experience will empower you to confidently access the profound insights held within the Akashic Records — the ancient “Book of Life.”

What You Will Discover:

- The origins and nature of the Akashic Records, a spiritual dimension containing the complete history and potential of your soul.
- How to access your own Records safely and effectively using sacred prayers, meditations, and clearing techniques.
- The role of Ascended Masters, Archangels, and Guides in supporting your connection.
- How to ask powerful questions to reveal your soul’s purpose, past lives, karmic patterns, and soul contracts.
- Techniques to read the Records for others with confidence, compassion, and ethical integrity.
- How to reconnect deeply with the truth of who you are beyond limiting beliefs and ego patterns.

- The use of crystals to amplify your connection and support your spiritual growth.

Why Attend?

**This workshop is designed for both those seeking personal spiritual growth and those interested in professional Akashic Records practice.**

You will gain:

- Practical tools to ground, protect, and clear your energy for accurate readings.
- Hands-on experience opening and closing the Records for yourself and others.
- Guidance on maintaining a high vibration and integrating your Akashic practice into daily life.
- A supportive community to share insights and deepen your journey.
